Limitations and Exclusions

- Persons with a previously diagnosed or treated stroke or heart condition:
 - Will not be paid benefits for a heart/stroke related hospitalization
 - Will be paid benefits for up to 7 days for hospitalizations resulting from any other sickness, disease, or accident.
- Benefits will not be paid for loss incurred during the 12-month period following the coverage effective date for any accident or sickness contributed to, caused by or resulting from a pre-existing condition. A pre-existing condition is an injury or sickness for which a person incurred charges, received medical treatment, consulted a health care professional, or took prescription drugs within the 12 months immediately preceding the effective date of coverage.
- This policy does not pay benefits for any accident or sickness contributed to, caused by or resulting from:
 - A hospitalization or loss which began before your effective date
 - Injuring or attempting to injure yourself, or a covered spouse or child intentionally, while sane
 - Committing or attempting to commit suicide, while sane
 - Committing or attempting to commit a felony, or being engaged in an illegal occupation
 - Being intoxicated or under the influence of any narcotic or other illegal substance, unless taken on the advice of a physician and according to the physician's instructions.
- Children born within 10-months of the policy effective date will not be covered for any period of ICU or Step Down Unit hospitalization that occurs or begins during the first 30 days of that child's life.
- The Vehicular Accident Benefit covers accidents resulting from riding in, operating or being struck by an automobile, bus, truck, train, or commercial airplane. This benefit does not include accidents resulting from riding in, operating or being struck by an all-terrain vehicle (ATV), motorcycle, tractor, or other farm equipment, construction equipment, boat or other water conveyance, private airplane, or glider.
